*Be kind and compassionate to one another, forgiving each other,  
just as in Christ, God forgave you”  
Ephesians 4:32*

### ATTENDANCE POLICY

Reviewed Feb 2020

Next review due Feb 2022

#### Aims

Attendance is a key factor in a child's education and we strive to achieve the highest possible rates. Continuity and progression are fundamental factors in our curriculum that support our ability to provide the highest possible standards of education. Failing to attend school regularly impedes progression and can have a major impact on young people's education, their future and their life chances.

#### Equal Opportunities and Inclusion

We aim to develop an atmosphere of encouragement and support and it is our intention that all our children, regardless of ability, race, gender and disabilities are given equal access to opportunities to develop a positive attitude to good attendance at school.

This policy operates in conjunction with our Christian ethos and safeguarding policy and aims to:

- encourage good attendance patterns and punctuality
- monitor the attendance of our children carefully
- encourage an active dialogue with parents
- maintain our attendance registers carefully in accordance with Local Authority guidelines
- support our duty of care to pupils

Our aim is for children to attend school for at least **96%** of the time possible. Prizes will be given at the end of every term as an incentive and encouragement for pupils to attend school regularly.

#### From Cheshire East guidelines:

##### Why attendance at school and punctuality is important

- 98% attendance means that your child has missed 4 days in the school year
- 95% attendance means that your child has missed 10 days in the school year
- 90% attendance means that your child has missed 19 days in the school year
- 80% attendance means that your child has missed 38 days in the school year
- 5 minutes late each day means three whole days lost each year
- 17 days missed from school each year equates to a whole GCSE grade
- Attendance affects learning, future earning, wellbeing and a sense of belonging

For more information, please see [https://www.cheshireeast.gov.uk/schools/school-attendance/school\\_attendance.aspx](https://www.cheshireeast.gov.uk/schools/school-attendance/school_attendance.aspx)

## **Registration**

Each teaching group uses SIMS to record the daily attendance. Registration takes place at the beginning of both morning and afternoon sessions. Registration is between 9.00am and 9.10am. If a child arrives after that time then they will be marked as late in the register. If a child is absent but the parents have not contacted the school, the school administrator must contact the parent as soon as possible to obtain information concerning the absence.

## **Lateness**

If a child is late on 5% or more occasions during a half-term a letter is sent to parents to ensure they are aware of the situation and offering support to remedy the situation. If a child is late on 5% or more occasions during the consecutive half-term a letter is sent to parents requesting they make an appointment with the headteacher to discuss the situation.

## **Absence**

Parents must notify the school as soon as possible if a child is absent. School will contact parents when a child's attendance begins to fall and reserves the right to request a doctor's letter regarding recurring and frequent illness. We will inform parents about their child's attendance rate at the end of the year with their formal school report.

When a child has to attend an appointment with an external agency (eg a medical appointment), parents must inform the school before the day of the appointment. Please note pupil absence will not be authorised for external agency appointments of parents or siblings.

## **Authorised and Unauthorised Absence during Term time**

Headteachers may not grant any leave of absence during term time unless there are exceptional circumstances.

For exceptional circumstances, we request that an appointment is made with the headteacher where you will have an opportunity to explain why the circumstance of the absence is considered exceptional and must be taken during term time.

Unauthorised absence is when the school has not received a reason for absence or has not approved a child's absence from school after a parent's request. Regularly keeping your child off school with minor ailments is not acceptable and may result in the absence being unauthorised.

Persistent unauthorised absenteeism may result in the headteacher (or other authorised officer) issuing an Education-related Penalty Notice. These apply to any parent who fails to ensure the regular attendance of their child of compulsory school age (5-16) who is registered at a state school or fails to ensure that their excluded child is not found in a public place during school hours without a justifiable reason.

These currently stand at £60 for those who pay within 21 days; and £120 for those who pay within 28 days.

If a child's attendance/punctuality causes concern the school may request the involvement of the Education Welfare Officer. The EWO regularly checks register returns. Should the EWO wish to discuss attendance/absence with parents the school will support requests made to it.

## **Assessment, Monitoring and Evaluation**

We assess our attendance on a regular basis and regularly reinforce our ethos in the weekly newsletter.

We will report individual attendance figures in our end of year reports to parents and mid-year (February half-term) for those children whose attendance is 91.9% or below. Whole school figures are reported in the School Evaluation Form and the headteacher's report to governors every term.
