

Heads Up

Dear parents

Thank you to everyone who came in to meet with us at parents' evening. It was great to hear all your positive comments on how well the children are doing and hear your views on our little people. We have been assessing the children this week and staff are pleased with how the children have progressed. Some of us need to practice answering test questions (because that is the world we live in) but that is expected and often they are tricky to decode. Especially in the y6 maths test!

Christian Values Day on Wednesday was a chance for us to reflect on our school values and ethos – Koinonia, Compassion and Respect. The children had a creative time weaving, singing and making compassion flowers. The day was concluded by a wonderful worship led by our wellbeing ambassadors. As always, the children produced thoughtful guidance on the theme of compassion and linked it to the war in Ukraine. Grace in year 6 prepared an impressive PowerPoint and lead the other ambassadors with confidence and authority.

Two weeks ago, we let the children choose two books to bring home to enjoy and share with you. Please could you help the children to return them next week so that we can return them to the library.

We hope to see some of you in Church on Mother's Day when Reception and Year 3 will be presented with their Bibles.

Next week is really very busy with a number of outings planned. Please check through the diary dates below to make sure you know what is happening each day – last swimming lesson this year for years three to six.

I hope that you have a lovely weekend.

Kind regards

Joanne Bromley

If you, your child or anyone in your family does not feel well then please do not come to school, stay at home and do a lateral flow test. If it is positive, please report it to school and follow the latest guidance on isolation.
