

NEW PE PROVIDER

Pott Shrigley Church School is delighted to announce that Kickstart has been appointed as our PE Provider for the academic year 2020/21.

In addition to providing Sports CPD for staff and helping develop the PE and School Sports Curriculum, Kickstart will also be working with the children each week, training class 2 to become sports leaders and promoting fitness and healthy lifestyles generally.

Kickstart Managing Director Dean has welcomed the new partnership,

"Pott Shrigley is a wonderful, unique school that has a lot of character and charm. I would like to thank Ms Bromley for contacting us and providing Kickstart with the opportunity to come and work at Pott Shrigley. My team and I are really looking forward to the new school sports partnership with Pott Shrigley Church School, it will give us an opportunity to develop a really innovative and personal curriculum for each child"

Ms Bromley, Headteacher of Pott Shrigley Church School is looking forward to September,

*"We are delighted to welcome **Kickstart** to our Pott Shrigley Family. Dean and his team provide a friendly yet professional service and their approach to learning very much tallies with our Christian values and mission statement of '**Be kind and compassionate to one another**'. Our continued focus on learning outside the classroom will be greatly enhanced by the provision from Kickstart and it will also include training the older children to become play leaders; encouraging each other and working with mixed age groupings is a key feature of our small rural school. We can't wait!*

You can find out more about Kickstart and keep up to date with news and developments on their website www.wearekickstart.com, the link to their social media profiles are accessible from the website too.
