

## Heads Up

Dear parents

We have had a brilliant week at school; it was fantastic to welcome everyone back this week and the teachers are delighted with the work the children have done this week. I have noticed that many of them have grown up a little more and it's lovely to see them getting along and enjoying playtime with their friends.

Understandably, many of the children have been tired this week and so I hope you don't mind if I suggest sending them to bed a little earlier?! This is what the NHS recommend:

- Children 3 to 5 years old - 10 to 13 hours including naps
- Children 6 to 12 years old - 9 to 12 hours

Staff have asked me to remind you to record what the children read in their reading diary. Thanks to those parents who are already doing this consistently, it just helps us to know where they are up to and how much practice they are getting; the more the better. Don't forget that you don't only have to read school books and that sometimes shared reading is just as helpful to the children as they can hear from you how the text is meant to sound.

Today, Mrs Novacki introduced our **Comic Relief Talent Show** to the children. They have an opportunity to get up and make us laugh next Friday 19<sup>th</sup> March and there are prizes waiting to be won £1 entry. Cakes baked by Pott Shrigley staff will be available to buy on the day for a donation to Comic Relief again £1. Children can also wear something red if they like but don't forget Forest School clothes to keep warm and dry later.

I hope that you have a relaxing weekend and we look forward to seeing you on Monday.

Kind Regards

Joanne Bromley

*'Be kind and compassionate to one another, forgiving each other, just as in Christ, God forgave you'*

*Ephesians 4:32*
