

Heads Up

Dear parents

It's been another lovely week at school.

We had a brilliant afternoon with Chris and Vicky at their farm on Wednesday afternoon. The children enjoyed feeding and playing with lambs and chickens, looking at cows in the field and tadpoles in the pond. There was also a lot of running in the wide open space and listening to Paige, Tyler and Brandon tell us about the cows, badgers and geese. Huge thanks to the Prices for sharing their world with us.

It's only two weeks until half term and I feel like the year is running away with us. We have already started to plan the end of term activities (still quite limited because we still don't know how far we can go in terms of inviting you all into school) and thinking about September and the next academic year. Jane Langdon has kindly offered to run an after-school club for us where the children can have time to join in with mindful craft activities or play outside in the sunshine together if the weather is kind. We will run this club for four weeks during the second half of summer term, starting the week beginning 11th June and also in September. Places will be limited and allocated on a first come, first served basis. More details about this will be sent out the first week back after half term.

If you would like to know more about how school is run and have the chance to contribute your ideas, do consider applying to be a parent governor. The date for the close of applications is 21st May and we are happy to answer any questions you might have about the role.

As you know as of Monday we'll be back to a full and varied menu – please do talk your child through the options as it makes the decision each morning much easier!

Just a reminder that the gate is locked securely to keep our children safe, please do not allow children to try to squeeze through the gate by stretching the lock as this is obviously unsafe. If the gate is locked when you arrive please ring the bell and someone will come shortly.
