

Heads Up

Dear parents

I hope that you are all well. We welcomed Audrey into school this week to lead worship on Wednesday. Nia told me this about it, "Being unique is ok and it doesn't matter what you look like, what is on the inside matters most."

We are conducting some end of term assessments next week, including SATS tests for Y6, which we will use to inform judgements about children's attainment at the end of the year. Undoubtedly the lockdown has affected children in so many ways; their academic progress is only one aspect of their life which may not be where previously expected.

IMPORTANT

I am really, truly sorry but we are NOT allowed to invite parents to spectate at sports day this year. Whilst the government guidelines state that it is ok, the local authority have said that we should not invite parents to sports days. This is because of the high number of COVID cases in Cheshire East, in particular the Macclesfield area. Please see below:

Sports Days

Cheshire East Public Health advice is that in-school sports days can happen; however, as part of the enhanced measures spectators should not be invited as this increases the risk of transmission.

I understand that this is terribly disappointing but hopefully we will be able to come together in the autumn. Apologies again for any inconvenience.
