Heads Up 5th May

Dear Parents,

Another amazing week here at school and lots of news to share with you all!

On Wednesday our Class 2 children went to the Royal Horticultural Society gardens in Worsley. This was linked to their science topic – plants. The children were fantastic on this trip and a real credit to the school and themselves. They enjoyed the gardens, attended a plant workshop and even had time for a trip to the adventure playground.

On Thursday we enjoyed our annual trip to Goyt Valley. The children enjoyed the day immensely and they showed real team spirit and determination. Park Ranger, Andy Shawe, educated us about the history of Errwood estate, the family that lived there and we even had chance to visit the ruins. The year 6 boys planted their trees and were proud to leave a legacy for years to come, a place they can visit and their tree will grow with them. A massive thank you to Mrs Novacki who organised, coordinated and led the whole trip!

The boys took great pride in ensuring their tree was planted correctly with space to grow and flourish, well done boys!

Our activities at Whitehall continue to challenge, encourage and excite the children. We have been bouldering, climbing, caving, problem solving, orienteering and zip lining over the last few weeks. The children continue to amaze us with their dedication, strength, resilience and determined attitudes. The way they encourage each other is magic and a joy to witness, well done to all.

On Tuesday we will start to administer the statutory year 6 SATs. The boys have worked incredibly hard for this week and they are ready. They have showed real determination and focus all year and it has really paid off. We wish them all the luck in the world, although they don't need it! The children will be sat ready in the hall to commence tests at 9am each day – please can we ask all parents to ensure your children are in school on time to avoid disturbing the tests.

Our merit winners this week, we are so proud of you all!

Class 1	Class 2	Class 3
leva	Mason	Grace

Today we marked the King's Coronation in school with a special worship, activities and celebratory lunch. I am sure you will agree that school looks amazing and we have ensured we mark this important and historic occasion in true Pott Shrigley style! We said special prayers to God to support our new King on this very special and important journey.

We hope you have a wonderful Bank holiday with your families as you celebrate this occasion in your own way.

Kind Regards

Mrs Willis
