Dear parents,

We have lots of lovely news to share with you this week and plenty to celebrate. Our school trips have begun and will enrich our bespoke curriculum throughout the school year.

On Wednesday class 2 went to the National Trust's Quarry Bank Mill. The trip included a tour of the mill with a specific focus on machinery and water power, a discussion-based presentation on the mill's workforce and, best of all, an interactive tour of the Apprentice House. Miss Millington was so proud of all the children and returned to school full of praise for all her class. 'The children have really enjoyed the visit and have gained a real understanding of what life was like in Victorian times to tie in perfectly with our topic. The children were a credit to themselves and the school.' Well done class 2!

This week in worship we welcomed 'Open the Book' - a wonderful church group who bring the Bible to life. This week they focussed on the story of Jesus in the temple and showed the children how he inspired teachers, priests and leaders at such an early age.

The children are really enjoying our after-school provision that we offer on a Tuesday, Wednesday and Thursday. Here is a snapshot of our wonderful dance group with Lewis on Thursday. I had the pleasure of watching this group this week and they have the best moves and can-do attitudes!

If you would like your child to try one of the after school clubs, please check for spaces on school spider.

Finally thank you to all who came to our Macmillan coffee morning today. It was so lovely to see so many of you and raise money for such a worthy cause. In total we raised £181.31 – A special thank you to Mrs Novacki and the school council for organising the event. The children shared their own treats after worship today where we reflected on the importance of this very special charity.
