

Dear parents,

Another great week at our school and lots of lovely news to share with you all.

Our older children enjoyed three days at Robinwood this week and they have been absolute superstars. They have worked hard as team and faced every challenge with determination and focus. We are so proud of them all and they truly are a credit to themselves and you. They have grown and shone in every way during this residential and faced new experiences and activities with a positive 'can do' attitude. We are looking forward to sharing photos with you next week in the next edition of 'Heads Up.'

Our children, in class 2 and 3, who remained in school have also been working hard this week. Mrs Novacki led a project around sustainability and protecting our planet for three days. The children have been immersed in practical, meaningful and thought-provoking activities that have really made them think about how we treat and look after our planet.

The sessions involved research, creating stories and powerpoints, all based on why this subject is so important. We visited a local shop focussed on sustainability –

Rootstock and litter picked around our local area. The children have been really passionate about this topic and even created their own rhyming message about why we need to act now! We are extremely proud of them all.

The children in class 1 have also been busy this week. They have created their own hunting stories based on their English unit – The Lost Wolf. They have been looking at the beginning, middle and end of stories and created their own tales with problems and resolutions. The children have become authors and innovated the story in their own way. Well done class 1!

Our merit winners this week!

Class 1	Class 2	Class 3
Emma	Mason	Eden

Well done to you all and thank you for shining so bright, inspiring others this week. Thank you for working hard as a school family and showing your friends what is possible when you put your mind to it. We are very proud of you all!

Have a wonderful weekend with your families and enjoy your children being home if they were away on the residential this week.

Kind regards
Mrs Willis
