

## Heads Up

Dear parents

Just a short one this week.....

We had a visitor in school to talk about online safety this week. PCSO Scott from Poynton came in on Thursday to talk to key stage two. They learned about keeping your accounts private and making sure you only talk to people you know online. We also welcomed Dr Bike again and hope that you can all get out and about on your bikes over the summer holidays.

The children enjoyed playing cricket this afternoon with Stewart from Cheshire Cricket.

Please can you send your child to school with a couple of carrier bags on Monday so that they can bring any books/bits and pieces home? If you have any school reading books at home then please send them back in on Monday. We will be encouraging the children to take part in a summer reading challenge next week so I hope that you are all members of the library!

Last week we welcomed Debbie as our new Kitchen Assistant – we will still be collecting the food from Bollington Cross but Debbie will be serving the lunches each day.

On Tuesday, we are having 'community morning' which basically means we are all going to work together on tidying up the playground a little bit. If any of you are free (and have a leaf blower/useful gardening tools for weeding), please let us know and join the team on Tuesday morning. Also on Tuesday we are going to church for worship for the last time this year. Worshippers are allowed in church so you are most welcome to join us at 2.45pm over at St Christopher's.

Thank you for some of the lovely things you have said on the report feedback slips. We all love working here and love your children so it's good to know that we are appreciated.

I hope that you enjoy your weekend.

Kind regards
