

Heads Up 24th November 2023

Dear parents,

Another busy week in school. We are getting ready for a busy December and the children are working hard on their parts for the nativity including songs and script lines. Next week we will start to send the scripts home so please ensure you give your child/children plenty of time to practice so they are perfect on the 19th December.

This week we launched Spelling Frame in school - the children will have come home with log in information to use at home. This is a multi-sensory approach to spelling and enables all children to see the word in parts, as a whole, then read, type and find the word within a sentence. This platform also gives the children brain breaks to ensure they have time to process new spellings and spelling rules. This is a great tool for all children and we have invested in this to ensure we support all our learners in any way we can. Children in class 2 and 3 will have chance to use spelling frame weekly in school and it would be helpful for them to develop their spelling skills at home using spelling frame and their spelling sheet that is sent home weekly to be handed in on a Friday.

This half term class 2 and 3 are at forest school - last week the children were immersed in the forest and they were tasked with creating shadow shows using material from the forest. I am sure you will agree from the pictures, the results are amazing!
