15th December 2023

Dear parents,

This week we have had a fun-filled week of events and celebrations. As always the children have been exceptional in their behaviour, attitudes and efforts to shine like the stars they are!

On Monday we attended Love Music Trust's - Sing the Christmas Story. The children have worked so hard to learn and perfect the songs for this celebration and the solo performance was incredible! Thank you so much so all the parents and families who came to support us at this event - it was so lovely to see so many familiar faces in the audience. The organisers of the event were very impressed with our school and have already invited us to the same event next year.

On Thursday the children enjoyed a trip to the pantomime at Buxton Opera House. This was a great show and the children returned to school full of stories and favourite parts. A special thank you to Victoria Taylor who organised a very posh coach to transport us all in style! We really did travel like Kings to our pantomime this year.

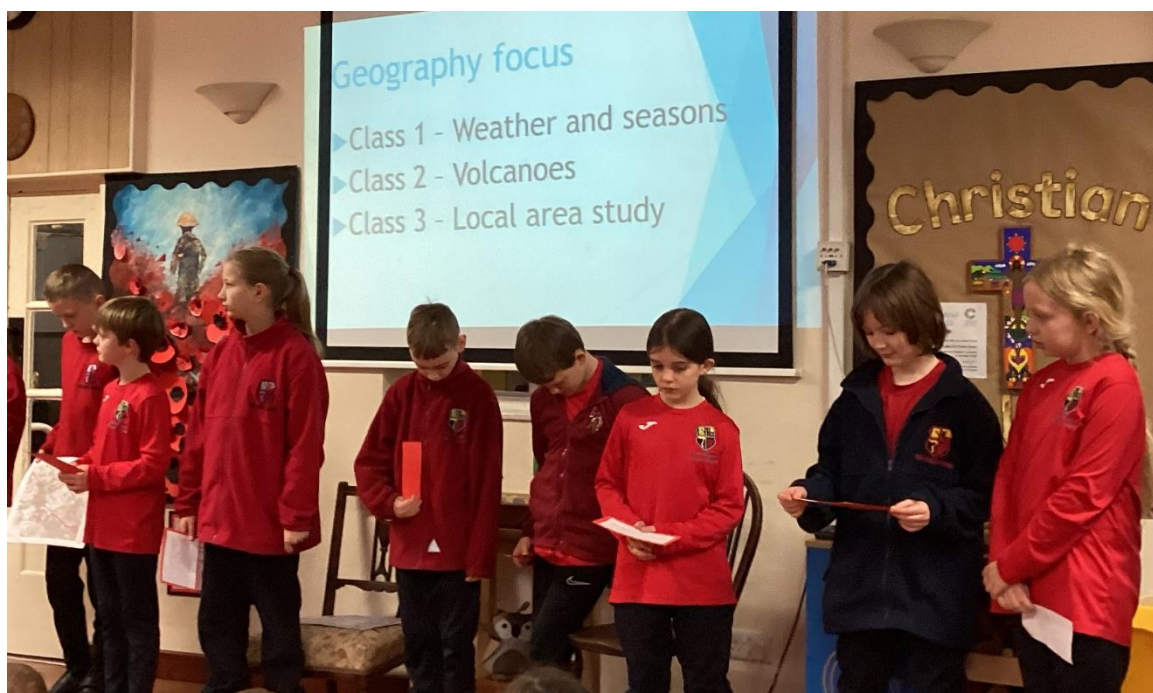

Finally I would like to thank all parents and families who came to our celebration assembly today. It is so lovely to share the fantastic work your children have produced this term. Our focus this time was geography and every class had something different and unique to share:

Class 1 told us all about the seasons and weather vanes

Class 2 was all about volcanoes

Class 3 focussed on mapping the the local area

The children really enjoyed presenting to you today and we look forward to welcoming you again in the new year to the next celebration assembly.

Our merit winners this week, our shining stars in each class. +

Class 1	Class 2	Class 3
Elsa	Mason	James

Next week is a busy week in school again so please do note the diary dates below as there are changes to uniform requirements. There will be **no After School Clubs or Breakfast Club next week**. These will re-start in January and bookings will be live on School Spider next week.

Kind regards

Mrs Willis
Headteacher
