Dear parents,

Another great week in school with lots to share with you. The children have worked very hard all week and a special thank you to all children and families who used the remote learning work that was set in the event of school closure, so many children have accessed the work and completed what was set, well done.

On Mondays Reverend Lynn comes into school to lead worship. This is always a great session with the children and they really look forward to it. It is always engaging, reflective and fun, thank you Reverend Lynn.

This week the children focussed on another Bible story and the worship ended with a hymn of praise and celebration. I am sure you will agree the children love these sessions and we are very grateful to Reverend Lynn and Simon for leading them.

On Tuesday we were treated to a blanket of snow. We ensured all the children in school had fun and enjoyed playing in the snow – it doesn't come very often so it was important we made sure the children had chance to enjoy it. I am sure you will agree from the smiling faces this was a great day for them all!

Forest school sessions continue for our class 1 children. We have completed bird treasure hunts, made bird feeders and chased bubbles! These sessions are brilliant to develop our children through outside learning and class 1 in particular really enjoy them. Well done class 1.

Class 2 and 3 are enjoying gymnastics at a purpose-built gym in Macclesfield. They have already shown some amazing skills in week 1 and 2 and we are looking forward to seeing how they develop over this half term. Pictures to follow next week.

On Friday 2<sup>nd</sup> February we will celebrate national numbers day. We are busy planning a range of activities for the children to enjoy over the day. The activities will include a TT rock stars tournament, numbers in the forest and numbers gym! On the day we would like the children to accessorise to to represent a number - this may be a numbers head band, a hand held number on a wooden spoon or a hat covered in maths resources – please use your creativity. As the children will be coming to school in their Friday uniform ready for Forest School or Gymnastics, we would like to ensure that this is still worn and just accessories added to mark the occasion.

Finally, our merit winners this week.

Class 1	Class 2	Class 3
Riley	Laela	Arlo

Have a wonderful weekend with your children and families!

Kind regards  
Mrs Willis
