Dear parents,

Today has been all about numbers and having fun with maths, the children really got into the spirit. I am sure you will agree, they all look fabulous!

In class 1 we started with numbers bingo and the winning participants were treated to a maths prize! Then Pott the pirate visited with a series of clues to find his missing treasure. We had to use our knowledge of number bonds to 10 in order to solve the mystery. We finished with some board games in small teams using our addition facts.

The children in Class 2 took part in a carousel of maths activities with a focus to their PSHE topic - money. They learnt all about money and how we pay for things in the real world. The children were then given the opportunity to buy and sell things in their own mini-Class 2 shop. This looked so much fun, well-done class 2!

Class 3 used their budgeting skills to plan their dojo party and had to consider price comparisons, quantities and best prices. They created graphs, charts, tables and lists to ensure the best budget for the perfect products. This is great real life maths and for a purpose too.

The children in class 2 and class 3 are also taking part in the national Times Tables Rocks competition today - we have entered as a school and they have already started the competition this morning.... many are keen to add to their score this evening at home. The competition ends at 7.30pm so please ensure any extra efforts on the platform are completed before this time. Good luck class 2 and 3!

We really have had the best day and thank you to all the staff for making such an extra special effort to mark this special day. A special shout out to the staff that went the extra mile with their costumes.

Over the next fortnight we will be marking and celebrating safer internet fortnight. This will involve special activities in school and a visit from our local PSCO to speak to class 2 and 3 about internet safety. Please do return any outstanding online safety forms next week, it would be great to have a complete set in school during safer internet fortnight.

Finally, we are launching an amazon wish list to families, local businesses and the community to help us in our effort to purchase new, exciting and valuable resources to match our new bespoke curriculum. As a small school every little helps so please do give what you can to help our children. In advance, we are very grateful for any contributions you are able to make to our little school. The link to our wish list is: [https://www.amazon.co.uk/hz/wishlist/ls/3LCWJCA3VTXMX?ref=wl\\_share](https://www.amazon.co.uk/hz/wishlist/ls/3LCWJCA3VTXMX?ref=wl_share)

Finally, our merit winners this week.

Class 1	Class 2	Class 3
Elsa	Charlie R	Sienna

Have a wonderful weekend with your children and families.

Kind regards

Mrs Willis  
Headteacher

### Diary Dates:
