Dear parents,

It has been another busy and eventful week at Pott Shrigley with school outings and new units of work underway.

Class 1 have been exploring healthy food choices in Design & Technology. After learning about the food groups, they have been designing healthy plates. In a few weeks they will make their own seaside picnics thinking about what to include based on what they have learnt.

Class 2 visited the RHS Bridgewater on Wednesday to support their science study of Living Things and Their Habitats. Although some of the children have attended the gardens before, this was in early spring so seeing all the plants and flowers in full bloom was beautiful to see. They took part in a workshop where they explored microhabitats, visited the Chinese garden, and of course the adventure playground which seems to be a firm favourite! Linking curriculum learning to hands-on experience enables the children to deepen their understanding and knowledge.

Class 3 have been learning the trumpet over the course of the summer term. They have made excellent progress and we really do have some budding musicians. Yesterday, they were given the opportunity to play with the Halle orchestra along with other schools in the North West. Not only do they get to attend a wonderful venue, The Bridgewater Hall, but they also get to experience what it's like to attend a live concert, developing cultural appreciation.

On Saturday, it is the Rose Queen Fete, a tradition that has been going for many years and one which our children relish taking part in. Sienna McKie will be handing over the title to our new Rose Queen, Bonnie Pearson who will be accompanied by Lara Bird as Rose Bud. Thank you to our team of volunteers who give up their time to ensure the smooth running of our community events. We hope to see you all there come rain or shine – due to the forecast the event will take place in school. The crowning ceremony will take place at 2pm in church so families are invited to gather in church for the ceremony. Afterwards there will be teas, coffees, games, ice creams and a fabulous raffle in the school playground and building.

Best wishes,

Miss Millington

Our merit winners this week, we are so proud of you all!

Class 1	Class 2	Class 3
Miles	Charlie F Clark Ieva Lara	Olivia B

Have a wonderful weekend.

Miss Millington
