

POTT SHRIGLEY CHURCH SCHOOL

HEADS UP!

11th January 2019

Happy New Year and welcome back to school everyone!

It was lovely to see all the children on Tuesday. We began our week with worship, introducing our new Christian value for the term – PERSEVERANCE.

Pentagon began work on installing the play equipment this week and we are hoping that it will be completed in the next few weeks. We thought an opening ceremony might be in order; details to follow.

Our visit to the *Substation* was absolutely fantastic! Ask the children to tell you all about it.

Rev David will be conducting worship in Church next Wednesday at 2.55pm. Please do come along and join us if you can.

A list of diary dates for this half-term is attached.

Hope you have an exciting weekend.

Kind regards
Ms J Bromley
