

POTT SHRIGLEY CHURCH SCHOOL

HEADS UP!

25th January 2019

IT'S FINISHED!!!!

Our amazing new trim trail adventure playground is completed and we have already played on it. The children loved it, as did Mrs Novacki and I when we road tested it for health and safety purposes! Details about an official opening and tea party to follow.....

Our new Street Dance club started on Monday and was fantastic – anyone else who wants to join is most welcome.

Thanks for your patience on Tuesday, it was difficult trying to make the best decisions when the weather kept changing and we seem to have our own micro-climate here in Pott Shrigley.

We all went to church this morning for our RE lesson about Sacred Places (pictures on the website). Rev David did a lovely job of explaining the special furniture and other features of the church and the children did some wonderful sketches.

Don't forget to buy your ticket for Movie Night on Wednesday..... there are still some tickets remaining - please see Mrs Hamnett in the office.

Next Friday is *NSPCC Number Day* which we are participating in. The school council are helping to organise it and have decided to hold a pub quiz (mathematical questions) and a raffle to raise money for the NSPCC. Raffle tickets will be a £1 each and will be sold on Friday only. The more you buy, the better chance you have of winning a prize.

The result of our recent survey regarding the end of the school day was that the majority of parents voted for the end of the school day to be 3.30 p.m. Therefore on Monday 25th February all children including reception will be finishing at 3.30 p.m.

Enjoy the weekend.

Kind regards

Ms J Bromley
