

POTT SHRIGLEY CHURCH SCHOOL

HEADS UP!

22nd March 2019

We have had a fairly quiet week and it started with Academy Photography taking group shots of different groups of children. Hope you have received your proof by now – if not, let us know as soon as possible. Photograph orders need to be returned to school no later than 4th April.

Cheshire Constabulary came into school this morning to discuss online safety with the children (photo on the website in the news section). Everyone was very open and honest about their online activity and we all learnt new facts about staying safe online. Please try and come to the parent meeting on Thursday 4th April regarding internet safety for your children. I am sure that you are aware of the grooming that can potentially happen and we all want to keep everyone as safe as possible.

Mrs Turner has a special request for materials for junk modelling for Christian Values Day on Wednesday 3rd April. We are looking at Creation, amongst other things, and if you have any clean junk/recycling, craft materials, art materials, textiles that could contribute to a group collage, please do send it into school for Mrs Turner. If anyone would like to volunteer or help on the day, you are most welcome – just let us know.

Hope you have a lovely weekend.

Kind regards
Ms J Bromley
