

POTT SHRIGLEY CHURCH SCHOOL

HEADS UP!

29th March 2019

What a beautiful end to the week – hope the sunshine continues for the weekend.

As I am sure you are aware, our week was taken up with an Ofsted inspection. The report will take some time to be published as it has to be written, sent to QC, sent to school etc. before being finalised. The Easter holidays could potentially slow the whole process down.

We can't therefore tell you the outcome but everyone worked together brilliantly as a team – children, staff, governors and parents. Thanks to everyone who spoke in person to Mr Hunter and to those who sent in cake! It was appreciated.

Don't forget Movie Night next Wednesday. Please purchase your tickets from the school office.

Hope you have a lovely weekend.

Kind regards
Ms J Bromley
