

POTT SHRIGLEY CHURCH SCHOOL

HEADS UP!

5th April 2019

We have had a very busy last week of term.....

Our children from reception, year one and two enjoyed a fabulous visit to Macclesfield Forest on Tuesday. They braved the cold and engaged with their learning so well that the ranger – Frances – particularly asked that I pass a message to parents about how lovely they were. We are sending a flyer with this news about a holiday activity happening in the forest next Monday. It's a free family event and it would be a good chance for you to see the environment we will be using on a Friday afternoon when we come back after the holidays.

Our second Christian Values Day on Wednesday was a resounding success. Many children embraced new concepts and they all responded with enthusiasm to the various activities they participated in. Many thanks to all staff, parent and church volunteers and Rev David for a wonderful day.

We had more volunteers in school on Thursday and the children enjoyed creating Easter art with Jane and Sandy. We also participated in our last session with Jo Edwards from Sale Sharks – Jo has been a brilliant part of our team this term and we have learned much about sporting values and also how to play tag rugby. Our thanks to Jo for all her hard work with the children.

Hope you have a fantastic Easter holiday and we look forward to seeing you again on Tuesday 23rd April.

Kind regards
Ms J Bromley
