

POTT SHRIGLEY CHURCH SCHOOL

HEADS UP!

17th May 2019

Another busy and productive week here in school....

Our wonderful year 6 children sat six SATs test papers this week and they all coped brilliantly and conducted themselves calmly and with maturity. We are all very proud of them, no matter the results. We had a relaxed morning today as a reward for their hard work and focus (still educational of course!). Many thanks to all our volunteers who helped to administer the SATs tests.

The term has flown by and we are fast approaching half term. Next Wednesday is our first non-uniform day to collect items for the school tombola at the Rose Queen Fete – please bring along as many bottles and chocolate for the tombola and items for the white elephant stall as you can!

On Thursday, school will once again be a polling station so we are all heading off, out of the way, to Liverpool. If you haven't paid your £3 contribution towards fuel yet – please do so! We have to fill up the Poynton mini-bus we are borrowing before we return it. Don't forget to let us know if you require a school packed lunch for this trip as we need to order them in advance.

We are rounding the term off with *The Big Sing* at Bollington Festival – please come along to support us. We will be having our packed lunch on the Rec at 12.30 and then the concert begins at 2.15 pm. Let us know if you require a school packed lunch before the day.

Family Service is this Sunday 19th May at 10.45am to which all families are very welcome to attend.

That's all for this week....

Hope you all have a lovely weekend.

Kind regards
Ms J Bromley
