

# POTT SHRIGLEY CHURCH SCHOOL

## HEADS UP!

20<sup>th</sup> September 2019

The MINI BUS is our headline news this week...

Firstly, it wouldn't get up the hill last week and so the younger children missed out on Forest Schools. Then, we had an amazing night on Saturday where the fabulous Julie Collingwood arranged a fundraiser for a new bus – huge thanks to all those parents and supporters who came out on a Saturday night for us. Thanks also go to all the companies in Bollington and surrounding area who generously donated prizes. We raised approximately **£2,500!!!!!!!**

Lisa and Amanda have made a thermometer for us to keep track of the fundraising for the bus – hopefully you will see this on the school door. The visibility will hopefully encourage people into further action and will also help the children to feel involved. We did a maths lesson in class 2 today on the mini buses I am actually looking at next week– we used the data for ordering, rounding and deciding on the best value!

Years 1 to 6 enjoyed a wonderful trip to Macclesfield Museum on Wednesday to enrich their learning about Ancient Egypt. I think that the shop was the highlight of their day!

Our year 5 and 6 children also went out on Thursday to attend an Ethos Conference at a school in Hyde. They came back buzzing and hopefully will cascade what they learnt and use it to start leading worship on a Friday morning.

Next week we have the Macmillan coffee morning on Friday. If anyone would like to make cakes or help out, you would be most welcome. Do send your child with some money to spend on cake, it's a great cause and I don't want to have to tidy up any leftovers by eating them myself!

Hope you all have a lovely weekend.

Kind regards  
Ms J Bromley
