

POTT SHRIGLEY CHURCH SCHOOL

HEADS UP!

24th January 2020

The children have been working hard on their writing this week and everyone, including reception, has been successful in their own way. We celebrated some lovely examples in worship on Friday and shared our work to inspire one another. We also shared examples of kindness and compassion shown to each other over the past few days; the children have been writing these on rainbow post it notes which we keep in a jar on the worship table.

Thursday saw us engaging with First Aid training as part of the HEARTSTART programme. Thanks to Julie Smith for delivering and bringing along the equipment for us to practice on. It became clear that some of the younger children, not surprisingly, were unsure of their address and how to use parents' phones. We would highly recommend that you teach this information to your children; it could potentially save a life. They would also love to practice putting you into the recovery position! It is not so easy with an adult – please see the website for pictures.

Please could we remind you that everyone needs a PE kit and a water bottle in school all week. As well as set PE days, there are occasions when we might use PE kit for additional activities.

Hope you have a great weekend.

Kind Regards
Joanne Bromley

Dates for next week include:

- Monday 27th January - Mosaic Workshop
- Tuesday 28th January - Ukulele/Guitar Lessons
- Swimming
- Community Meeting in Village Hall Bar at 6 pm
- Thursday 30th January - Tytherington High School Pupils with Class 2 – E-Safety
