

## Heads Up

Dear parents

Another good week in school, the highlight of which was our visit to the Planetarium at Poynton High School. The children met Mr Dean, the headteacher, before the show and their behaviour throughout was exemplary. We were inspired by the information, delivered by *Catalyst Museum* staff, which was cleverly made accessible for all year groups from reception to y6. If anyone is keen to learn more about science with their children, the museum is well worth a visit: <https://www.catalyst.org.uk/>  
Here are a couple of accounts of the day from Year 1...

‘Be kind and compassionate to one another, forgiving  
each other, just as in Christ, God forgave you’

Ephesians 4:32

We would like to say thank you to all those parents who have been working hard on reading at home with their children.

Please continue to do this because it is having a noticeable impact, not only on their reading and comprehension skills, but also their confidence and ability to access all areas of the curriculum. Keep up the good work!

Thanks to all of the families that returned their Christingle candles with donations – between ourselves and St. Christopher's Church we raised a total of £295 for The Children's Society.

I hope that you have a relaxing weekend.

Kind regards

*Joanne Bromley*
