Heads Up

Dear parents

We have had a fabulous week in school working on, and thinking about, mental health and wellbeing. Mrs Turner took the lead on this, aided by some wonderful mental health ambassadors. Huge thanks to Grace, Oliver, Grace and Bonnie for their work in this respect. I am always proud of our children but this week particularly so. They shine in so many ways and I thought this email from one of our governors sums it up perfectly.

Dear Joanne,

What an amazing afternoon it has been to see the whole school enjoying and taking part in the Mental Health afternoon led by the KS 2 Ambassadors. Grace H led the whole session and engaged the children for an hour, teaching about mental health with the supporting Video, ably operated by Nia and with confident input from Grace P. The attention of the children from the youngest to the oldest was exemplary, across all ages and ability groups. Grace spoke with authority, respect, and she had planned so well and used no notes; there was no hesitation in her delivery and she asked relevant questions, all with an obvious joy in her role and her enthusiasm was captured by the children. She chose group leaders and team members wisely and the drama groups worked really well, demonstrating various ways of helping each other with enacted emotional personal situations.

*The older children cared for the younger ones, and even 5 year old 'Mr. Paton' became a Headteacher in one group's performance!
So much of what SIAMS expects of a Church School was evident today and fulfilled the Vision and Ethos of the school. It was a joy to be part of it and I felt so proud to be a governor.*

With kind regards

Audrey

This shows not only what wonderful children we have but also how hard the staff work to enable them to be the very best version of themselves that they can. Our governors are also always on hand to support us and perhaps now is a good opportunity to thank you all for your continued support and appreciation of our fantastic little school.

Do check out the website for a video of our *Growing Together* samba performance. <http://www.pottshrigleycs.co.uk/work/samba/71131>

I hope that you have a relaxing, mentally healthy weekend.

Kind regards

Joanne Bromley

If you, your child or anyone in your family does not feel well then please do not come to school, stay at home and do a lateral flow test. If it is positive, please report it to school and follow the latest guidance on isolation: : [www.gov.uk - covid-19-stay-at-home-guidance](http://www.gov.uk-covid-19-stay-at-home-guidance)
