

## Heads Up

Dear parents

The weeks are flying by and it's been another busy week in school. Today we all chose some books to read which I borrowed from our Education Library Service according to what the children told me they would enjoy reading. They are allowed to bring them home to share but please, please, please send them back in good condition before the Easter holidays; they do not belong to us so we need to take especial care. If your child brings the books back, they can swap them for some more!

We said goodbye to Mrs Ream on Monday who has been a valuable member of the Pott team for just over a year. She is planning to spend more time with family and come back soon as a volunteer. We have appointed a replacement, Mrs Kim Moore, who will be starting in a few weeks' time. I am sure you will join with us in making her welcome.

Another note about staffing is that our wonderful Mrs Blackwell is hanging up her teaching hat and retiring at the end of the summer term. There will be plenty of words to express how we felt about Mrs Blackwell and the pivotal role she has played at Pott Shrigley when we give her a suitable send-off but for now, we will just say good luck and let's make the most of the next few months together. Clearly she will be missed. We are advertising for a replacement teacher today.

On Wednesday our well-being ambassadors visited Tytherington High School for the day and came back full of great ideas. They have set up a well-being area in the hall along with a worry box in case anyone has any problems that they may be able to help with. Thanks to Grace, Megan, Oliver, Grace and Bonnie for your work. More to come from them I feel.....

*'Be kind and compassionate to one another, forgiving each other, just as in Christ, God forgave you'*

*Ephesians 4:32*

Headteacher: Ms Joanne Bromley

Thanks to all who have responded to our email regarding communications and PTA we sent out, it's helpful to know your views. Please do respond if you have any thoughts or comments. In an emergency we would send out text messages but we don't generally as it costs money to do so.

Next week is Science week and we've a number of exciting talks planned on a range of topics from fireworks to antibiotics and the heart. We'll be undertaking our own experiments during a trip to Poynton High School Science lab on Friday 18<sup>th</sup> March

I hope that you have an enjoyable weekend.

Kind regards

*Joanne Bromley*

Head Teacher
