

Heads Up

Dear parents

It's all been about residential visits this week!

Grace and Megan had a wonderful time at the Conwy Centre in Menai and the PHS staff reported how fabulous they were. They have made new friends and can't wait to start their PHS journey.

Our own residential to Ilam went very well. The children of Class 2 and 3 all had a fabulous time. The weather was glorious and the setting was beautiful. The grounds were perfect for the children to have the freedom to run around and roll down hills. A highlight for the children was just being in their dormitories, with their friends, chatting until they fell asleep.

The children participated in a whole host of activities from team games to rocket launching, abseiling to scrambling. They embraced all of them with enthusiasm and bravery. The teamwork and support on display from

each and every child was a delight to see. So much so, that the staff from Acclimatize commented that it was the best school group they had seen for a long time because of the way the children approached the experience and helped each other.

The children came home absolutely exhausted but more independent, more resilient, and full of memories to last a lifetime! We are so proud of how the children behaved and represented the school. Bring on the next one! Mrs Paton will upload lots of pictures to the website next week but we've included a few here...

I hope to see you at the Rose Queen fete on Saturday; lovely Paige Price is our Rose Queen so it would be great to have a good turn out to support her, even if the weather forecast looks dubious. If you would like to join the parade, you need to wear a white dress or shirt and bow tie and meet on the school playground at 1.30pm. Pray for sunshine!

I hope that you enjoy the weekend.

Kind regards

Joanne Bromley
