*Be kind and compassionate to one another, forgiving each other,  
just as in Christ, God forgave you"*  
Ephesians 4:32

Dear parents,

We have had an amazing week in school with most of our lovely children back. Everyone has enjoyed being together again, despite all the handwashing and queuing for the toilets!

We especially enjoyed another visit to the farm and Thursday afternoon on the cricket field for a water fight. Many thanks to Thereza for the yummy ice creams at the end of the day – a perfect end to the perfect summer afternoon.

Can I take this opportunity to remind you of the link for applications for Free School Meals. Circumstances may have changed for many people and if you think that you might be eligible for FSM, please click on this link:

Nothing else to report, please remember to encourage thorough hand washing when the children get home from school.

### **Updated handwashing advice**

It is essential that everyone washes their hands more often, using soap and water for at least 20 seconds. Hand washing with soap employs mechanical action that loosens bacteria and viruses from the skin, rinsing them into the drain. Drying hands afterwards makes the skin less hospitable to the virus. Hand sanitiser can be effective if soap is not available or the situation makes using soap less feasible (i.e. when outside) but using hand sanitiser provides none of the virus-destroying friction that rubbing your hands together and rinsing with water provides.

You are all in our thoughts and prayers every day.

Have a lovely weekend.

Kind Regards

*Joanne Bromley*
