*"Be kind and compassionate to one another, forgiving each other,
just as in Christ, God forgave you"*
Ephesians 4:32

Dear parents,

We have had a great week in school and welcomed three more lovely new children to class 2.

Rev David joined us for worship on Tuesday and it was great to see him back in school again. St Christopher's is open for services on a Sunday (and daily prayer) but you do have to book in. Please see the website for details:

We're thoroughly enjoying our time at Forest School on a Friday afternoon learning how to use a range of tools safely, climbing trees and relaxing in the hammocks – here are a few pictures from today's session.

We'd like to extend a big thank you to Marie in our school kitchen for taking on the role of preparing delicious school lunches on site since the start of September. Marie has prepared an excellent balanced menu in line with Food Standards guidance and the empty plates and feedback from the children suggests this is a great addition! The current menu is attached for your reference – week 3.

If you think your child may be eligible for Free School Meals, please click on this link for the information and application process.

https://www.cheshireeast.gov.uk/schools/free_school_meals.aspx A claim can be made for free school meals even if your child is in key stage 1 as the school can claim additional funding for new equipment and resources.

If you haven't already done so, the Parentmail app is the most convenient way to receive communications from school. Most of our information is sent via email and we also update the website calendar every week. [ParentMail App](#)

Dates for next week include:

Monday 14th September: Front Row Music Lessons

Thursday 17th September: Kickstart Sports Lessons

Friday 18th September: Deadline for Flu forms to be returned
Forest School

Hope you have a relaxing weekend.

Kind Regards

Joanne Bromley
