*Be kind and compassionate to one another, forgiving each other,  
just as in Christ, God forgave you"*  
Ephesians 4:32

Dear parents

Thank you to everyone who sent in donations for the foodbank as part of our Harvest Festival, we had a lovely a few technical issue are preventing the video from appearing on the school website but we're working on it! Julie Collingwood, one of our governors, is coming to school on Monday to collect the food to deliver it to *Hampers of Hope* in Macclesfield. We spent part of the afternoon on Wednesday talking about foodbanks and how they are used and why it is important to help other people in times of crisis.

Tuesday afternoon will be Movie Afternoon in school – the children will be treated to a film from 'Flix in the Sticks' who will set up the school hall as a mini cinema – children will be treated to popcorn and sweets to provide the real cinema experience.

Thursday afternoon is Parent's Evening – this year we'll be calling parents at a pre-agreed time as we're unable to offer face to face sessions. You should have received notification to book via School Spider – should you have any queries with this please contact Lisa in the school office. We look forward to speaking to you all then.

After some careful consideration and noting what other schools are doing, we have decided to ask the children to bring their water bottles home every day to be washed and refilled by parents. Obviously it takes a considerable amount of staff time and now that we have more children (which is fantastic), we need teachers to be focusing on teaching and learning rather than washing up. Thank you for your patience in bearing with us when we have to make changes.

Mrs Novacki came back to school this week on a phased return to work and we were all extremely happy to see her.

Hope you have a relaxing weekend.

Kind Regards

Kind Regards
