

Heads Up 24/11/2022

Dear parents

It's been a busy week in school with children in all three classes consolidating their learning...

Class 1 have been focussed on magnets in science – using their skills of experimentation to determine which items are magnetic and investigating the impact of water on magnetism.

Class 2 spent time comparing South America and the United Kingdom as they continue to explore the wonderful world of chocolate – they got to grips very quickly with Google Earth and understanding the school atlases so do test their geographical skills!

Headteacher: Ms Joanne Bromley

Class 3 enjoyed a relaxing end to the week with their yoga session – their tree poses are impressive.

The children and staff have been busy preparing for our Christmas Nativity. I would like to say a big thank you to Sheila and David Garton who graced the children with a vocal training session on Monday, preparing them for singing a variety of Christmas Carols. The children sang beautifully and with passion and I cannot wait for their performance. The Christmas tree lying in the church grounds is now a reminder as to how quick Christmas is approaching!

Planning is well underway for the PTA Christmas Fair – please do get involved either before or on the day, there's a long list of tasks on the office door.

Have a lovely weekend!

Marie Maynard
Interim Head Teacher
