

Recovery Counts

Hello One and All,

We hope you are all staying safe and well. It looks like things are set to improve in the near future.

Following the announcement from the DfE today about the education recovery package, we just wanted you to know that **WE** are here for **YOU**.

We have a range of **FREE** resources that will support you and your children as everyone starts to return to school. They all support effective recovery in literacy. These include:

- Parent webinar – **Read With Me** [Click here](#)
- Parent packs and **Story Time Counts** videos [Click here](#)
- **Assessment Counts** document to identify gaps in learning [Click here](#)
- **Read to Write** online – a three week unit on writing Y1-6 [Click here](#)
- **Steps to Read** online – two weeks of whole class shared reading planning R-6 [Click here](#)

We also have a range of recovery materials that will support educational recovery. These include:

- Closing the Gap Reading online training (R-Y6)
- Closing the Gap Writing online training (R-Y6)
- 1-1 Reading
- Quality First Teaching of Phonics

Our Spelling webinars were particularly well received and we will be releasing new dates for these very soon.

Visit our website to see all of our available resources or contact Jemma@literacycounts.co.uk should you wish to discuss your own bespoke recovery program of support.
